About Company

At Nirmal Group, we take pride in being a trusted link between rural farmers and the dairy market.

Every day, we work closely with over 350 co-operative milk federations, spanning more than 500 villages, to bring fresh, high-quality milk from farms to consumers.

Why Choose Us?

- **350+ Co-operative Milk Federations**
- **500+ Villages Connected**
- **4,00,000+ Liters of Milk Collected Daily**
- **5,000+ Farmer Families Supported**

Our Commitment:

- **We ensure quality milk procurement through strict standards and regular checks.**
- **Our mission is to maintain the freshness, purity, and nutritional value of milk from the moment it leaves the farm to the time it reaches the market.**

Our Role:

We proudly serve as a bridge between farmers and the market, empowering rural communities while ensuring that consumers get the best dairy products.

Strengthening farmers. Delivering quality. Connecting communities
