

# Who we are.

Established in 2009, RnR is driven by a passion to deliver industry-centric ERP software solutions. Our headquarters and development center are located in Nagpur, India, with a branch in Dubai, UAE.

Leveraging extensive industry expertise, we have rapidly evolved into a leading and sustainable global ERP provider. Our clientele spans regions including India, the GCC, and Africa, and our commitment to growth remains unwavering.

Our ERP offerings empower businesses with seamless data access, unparalleled ease of use, and informed decision-making capabilities. By streamlining operations, we drive success for our clients.

Our achievements are fuelled by a dedicated team of top-tier professionals who embody our culture of S.M.A.R.T. objectives—Specific, Measurable, Achievable, Relevant, and Time-bound.

## MISSION

*To become the foremost  
Industry-Centric  
ERP solution provider.*

## VISION

*To provide innovative &  
user friendly ERP solutions  
by harnessing  
Human Resource leading  
to Customer Satisfaction.*

## Rajan R. Thaokar

*Managing Director &
