Our expertise supports businesses with reliable, end-to-end logistics tailored to global trade demands.

Mission

To empower global trade by delivering smart, efficient, and reliable logistics solutions—ensuring every shipment moves with speed, safety, and precision.

Vision

To become a globally recognized logistics leader, connecting businesses across continents with innovation-driven, tech-enabled, and sustainable supply chain solutions.

Economic Overview and Indo-Russian Business Activity

India's Growth Trajectory: Among the fastest-growing major economies; projected to be the third-largest by GDP (PPP) by 2028

Key Sectors: Opportunities exist in pharmaceuticals, IT services, electric mobility, renewable energy, infrastructure, logistics, and agritech.

Startup and Innovation Ecosystem: India hosts over 100 unicorns with active government support via Startup India and Atal Innovation Mission.

Trade Dynamics with Russia : Post-sanctions, there is increased cooperation in energy, defence, agro-products, fertilizers, and machinery. Potential for growth in co-manufacturing and local distributions

Entry Strategies: Wholly owned subsidiaries, joint ventures, distributor/franchise models, or liaison/branch offices registered under RBI guidelines.

CORE VALUES

OUR SERVICES

LINER AGENCY

Y&H CARGO led by pioneers of the shipping industry in India and the Asian subcontinent, with over four decades of expertise. We leverage our resources to streamline trade and logistics operations.

NVOCC

Our aim is to deliver the highest level of customer service with professionalism and competitive pricing for both port-to-port and door-to-door deliveries. We ensure prompt, courteous service tailored to customer needs.

SOC & FEEDERING

Our core service is Liner Shipping, offering extensive network coverage across major ports and key trade routes including the Far East, Middle East, Gulf, Upper Gulf, Africa, and the Indian Subcontinent.

VESSEL OPERATIONS

We provide a broad range of shipping options at competitive rates, ensuring you receive the best service tailored to your needs.

OUR SERVICES

FREIGHT FORWARDING

Our forwarding team delivers tailored logistics solutions, ensuring efficient, reliable, and cost-effective cargo movement across global supply chains.

PROJECT CARGO

Project freight is highly complex and demands a customized approach for industries like oil & gas, energy, mining, engineering, and construction. We offer expert charter services and over-dimensional transport solutions.

AIR COURIER

With our Network offices in HongKong, China, Indonesia, Malaysia, Vietnam, Russia and Thailand help in handling Cargos such as Pharma, Jewelries, Haz, etc via Air Logistic. We provide Courier services as well.

WAREHOUSING

We provide complete solutions for warehousing, distribution, and e-commerce fulfillment, ensuring efficient, scalable, and timely delivery across diverse market demands.

REASON TO CHOOSE US

Y&H CARGO delivers expert sea and air freight, customs clearance, and 3PL/4PL solutions across India, ensuring global logistics excellence with qualified carriers and a strong customer service focus.
